

FALL SPECIALS 2018

EXPIRES 10-31-18

TL 80990

HEATED LENS, UNIVERSAL, LED, 7 IN. ROUND, SNOW PLOW LIGHT

World's first heated lens LED headlight heats constantly under 10 C/50 F. Provides a robust, LED, solid-state solution to plowing applications in need of durable lighting that can withstand shock and vibration, replacing headlights and turn signal lights blocked by the plow assembly.

Utilizes Truck-Lite's 27275C 7 in round heated LED headlight.

Heated lens prevents snow, ice, and slush build-up.

Popular for utility/municipality use and more, as LED design draws less current, allowing more power for other vehicle requirements.

DOT compliant LED headlight provides a brighter, crisper and whiter light output, closer to the color temperature of daylight, dramatically improving light projection distance and increasing visibility.

Impact resistant polycarbonate lenses protects against damage caused by debris and other hazards.

Headlight component is backed with Truck-Lite's 3-Year Limited Warranty, front/park/turn light component is covered by Truck-Lite's 2-Year Limited Warranty, and bracketry is covered by Truck-Lite's standard 1-Year Limited Warranty.

TL 80875

UNIVERSAL, LED, 5 X 7 IN. RECTANGULAR, SNOW PLOW LIGHT, 23 DIODE, POLYCARBONATE.

Excellent option for light, medium and heavy-duty trucks, off-road vehicles, classic cars, motorcycles and more.

Metalized reflector optics provide a lighting experience that smooth and clean across the driving surface.

Durability and dependability of LED lighting provides a solid-state, bulb-free headlamp design that impervious to damage from shock and vibration.

Electronics are sealed in epoxy to resist from damage caused by corrosion or moisture.

Advanced circuitry protects against voltage spikes up to 600v.

Drop-in replacement for #6014, 6015, 6016, H6024 and Par 56 headlamp designs.

Uses standard, H4, 3-blade wiring connector.

Equipped with Truck-Lite 3-Year Limited Warranty.

ECONOMY, UNIVERSAL, HALOGEN, 4 X 6 IN. RECTANGULAR, SNOW PLOW LIGHT, 2 BULB, POLYCARBONATE, 12V, KIT

High impact polycarbonate and steel construction.

Features high beam/low beam halogen headlamps and integrated park/turn lamps.

Mounts on one 1/2"-13 stud.

Lamp functions as snow plow light, all terrain light, or an off road/auxiliary light.

Kit also includes a switch.

Two vehicle harnesses run from lamps and attach with twist-type connections.
