Allison Automatic Transmissions

Every Allison transmission is remanufactured by TransAxle for Express Gears using a standardized, industrialized remanufacturing process, which includes:

A new torque converter on all AT, 1000 and 2000 applications.

All new electronics

Use of only 100% Allison genuine components throughout

TransAxle remanufactures Allison transmissions according to strict Allison standards of competence, training and experience.

Every remanufactured Allison transmission is fully load tested on one of our 2 state of the art dynamometers.

All Allison transmissions in the 1000, 2000, 3000 and 4000 families now come standard with a 2 year (3 year on school bus), unlimited mileage warranty as a sign of our confidence.

Out of production models (AT, MT and HT come standard with a 1 year (2 years for school bus) unlimited warranty.
