

# FALL 2021 SPECIALS

EXPIRES 11-30-21

**One 11 lb. unit to get a 80,000 lb. truck rolling... now that's impressive engine starting**  
**G3 JP-12-10000T Jump Start Pack \$699.00**

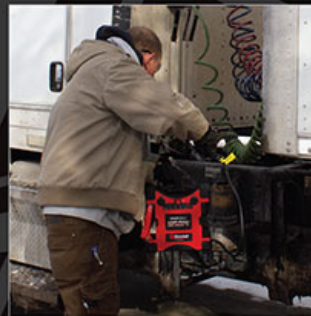

When the unexpected strikes Goodall's Start-All Jump-Pack® is up to the challenge. This lightweight, compact and powerful, lithium-ion jump starter is designed to start vehicles up to Class 8 Trucks instantly with up to 10,000 amps of sustainable starting power. Jump-Pack™ offers an affordable and easy-to-use solution for downtime due to dead batteries.

Safe, efficient, and cost-effective, it features:

- Proprietary instantaneous energy transfer to the battery the moment the cables are connected
- The capability to start multiple trucks off a single charge
- Protect-All® safety technology including reverse polarity, low-voltage protection, short circuit overheat protection, and over-discharge
- Personal power-bank charging for smartphones and other mobile electronics
- 500 lumen LED flashlight with SOS and strobe emergency functions

 **Lightweight!**  
Only 11 lbs.!

Prices listed are based on current manufacturers' pricing and may be withdrawn at any time before the stated expiration date of the promotion.
