

FALL 2021 SPECIALS

COOK BROTHERS TRUCK PARTS

EXPIRES 11-13-21

**TL 80990
HEATED LENS, UNIVERSAL, LED, 7 IN. ROUND,
SNOW PLOW LIGHT**

World's first heated lens LED headlight heats constantly under 10 C/50 F. Provides a robust, LED, solid-state solution to plowing applications in need of durable lighting that can withstand shock and vibration, replacing headlights and turn signal lights blocked by the plow assembly. Utilizes Truck-Lite's 27275C 7 in round heated LED headlight. Heated lens prevents snow, ice, and slush build-up. Popular for utility/municipality use and more, as LED design draws less current, allowing more power for other vehicle requirements. DOT compliant LED headlight provides a brighter, crisper and whiter light output, closer to the color temperature of daylight, dramatically improving light projection distance and increasing visibility. Impact resistant polycarbonate lenses protects against damage caused by debris and other hazards. Headlight component is backed with Truck-Lite's 3-Year Limited Warranty, front/park/turn light component is covered by Truck-Lite's 2-Year Limited Warranty, and bracketry is covered by Truck-Lite's standard 1-Year Limited Warranty.

\$685.00

**TL 80985
UNIVERSAL, LED, 5 X 7 IN. RECTANGULAR,
SNOW PLOW LIGHT,
23 DIODE, POLYCARBONATE.**

Provides a robust, LED, solid-state solution to plowing applications in need of durable lighting that can withstand shock and vibration, replacing headlights and turn signal lights blocked by the plow assembly|Utilizes Truck-Lite's 27455C 5X7 in heated LED headlight|Heated lens prevents snow, ice, and slush build-up|Popular for utility/municipality use and more, as LED design draws less current, allowing more power for other vehicle requirements|DOT compliant LED headlight provides a brighter, crisper and whiter light output, closer to the color temperature of daylight, dramatically improving light projection distance and increasing visibility|Lights are hard wired, with conformally coated electronics to protect from damage caused by corrosive elements and moisture|Corrosion resistant, powder-coated aluminum housing dissipates heat efficiently|Impact-resistant polycarbonate lenses protects against damage caused by debris and other hazards|Headlight component is backed with Truck-Lite's 3-Year Limited Warranty, front/park/turn light component is covered by Truck-Lite's 2-Year Limited Warranty, and bracketry is covered by Truck-Lite's standard 1-Year Limited Warranty

TL 80888 Snow Plow Light Kit

ECONOMY, UNIVERSAL, HALOGEN, 4 X 6 IN. RECTANGULAR, SNOW PLOW LIGHT, 2 BULB, POLYCARBONATE, 12V, KIT

- Heavy-duty, die-cast aluminum housing.
 Lens manufactured with impact-resistant polycarbonate material. Rear fins keep heat away from LEDs and lamp circuitry, allowing for increased light output and light longevity. White LEDs offer daylight-like visibility, cleaner and clearer than other light source options. Current-regulated switching circuit. Overvoltage protection. SAE voltage shock protection. EMC protection and IP 67 certified.

\$126.00

Work Lights

- Heavy-duty, die-cast aluminum housing.
 Lens manufactured with impact-resistant polycarbonate material. Rear fins keep heat away from LEDs and lamp circuitry, allowing for increased light output and light longevity. White LEDs offer daylight-like visibility, cleaner and clearer than other light source options. Current-regulated switching circuit. Overvoltage protection. SAE voltage shock protection. EMC protection and IP 67 certified.
