## POWER EDGE STARTERS

- Rugged design and powerful performance.
- Every unit tested to meet factory-original performance.
- Over Crank Protection (OCP) constantly monitors the internal temperature and prevents thermal damage to the starter.
- Integral Magnetic Switch (IMS) reduces voltage drop and ensures the solenoid receives maximum voltage under all starting conditions.
- 100 percent new units. Not rebuilt. No core charge.
- One-year/unlimited miles warranty.

## POWER EDGE ALTERNATORS

- Superior efficiency, providing reduced fuel consumption and mileage savings
- Durability, long life, reducing replacement intervals and costs
- Higher amps at idle
- Remote sense features, prolongs battery life, reducing replacement costs
- Compact size and lighter weight, for improved fuel savings and ease of installation.
