**Gates solutions go the distance.**

**Your heavy duty trucks & buses go farther with Gates OE and OE equivalent aftermarket parts. We've worked with heavy duty, commercial and industrial vehicle manufacturers to develop belt drives, engine hoses, and system components that keep your business moving forward, all while lowering your maintenance costs, downtime, and labor costs.**

**Get more out of every mile.**

**We engineer our system components to exceed demanding OEM requirements, and outlast equivalent aftermarket parts. As experts in the truck and bus industry, Gates is driving business for your driving business.**

**FleetRunner® Micro-V® belts are fleet-tested to over 250,000 miles.**

**DriveAlign® tensioners are designed to last longer.**

**Innovative SCR and turbocharger hose solutions support ever increasing emissions and fuel economy requirements.**

**Contact your local Sales Representative  
to find out more about these products.**
